

# Our Star, the Sun

*Life and Time in a Solar System*

## Concept Overview

### About the overview

The diagram below shows the science concepts outlined in this book. The arrows show the links between concepts and how they might build in sequence. A “big idea” shows how a fully developed understanding of the concepts might look. Such an understanding might not be achieved until level 7 or 8. The big ideas are included to help you build appropriate concepts with your children, whatever their age.
