

# Keeping Warm

Getting Heat Energy and Keeping It

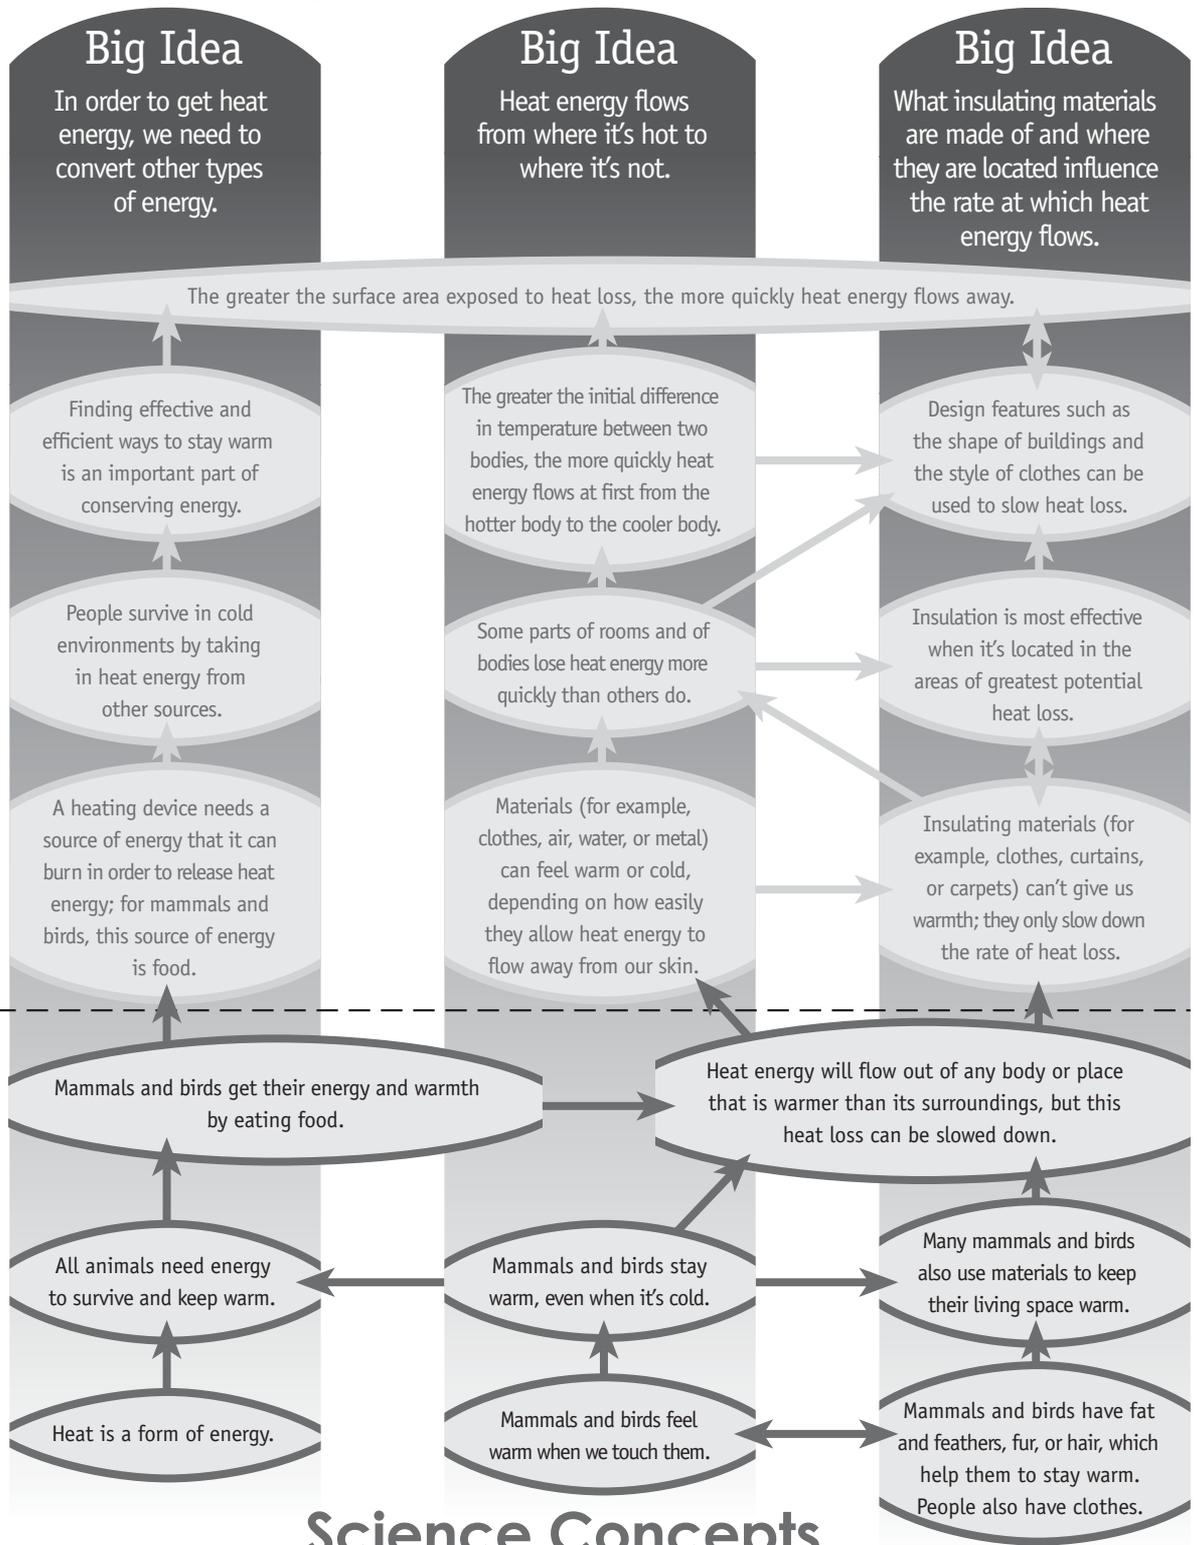

## Concept Overview

### About the overview

The diagram below shows the science concepts outlined in this book and the level 3–4 companion book, *Insulation*. The arrows show the links between the concepts and how they might build in sequence. A “big idea” shows how a fully developed understanding of the concepts might look. Such an understanding might not be achieved until level 7 or 8. The big ideas are included to help you build appropriate concepts with your children, whatever their age.
